

Wooden White

Type: Marble

Origin: World Natural Stone

Other Names: Woodenstripe White, New Serpeggiante White, Serpeggiante White, Serpeggiante White, Serpeggiante Bianco, Oak White Marble

Also known as "Oak White Marble" or "Serpeggiante White", this natural stone of white wood effect has the right tone for 'relaxing design projects'. Try the polished finishing for more elegant results, the brushed finishing for more casual environments, and, why not, striped pieces layed in spine, for pavements of the type "big antique villas". Discreet luxury.
