

# Crick Hill Condominium

St. James, Barbados

Over 1.600sqm of honed tiles in **Fatima Cream**: mostly 60\*60\*2cm (830m<sup>2</sup>) but also other dimentions for specific areas - mainly 40\*40\*1,3cm and 60\*40\*1,3cm.

The material along with our knowledge secured a fine cream-shaded beautiful selection.
