

## Apartment in Amoreiras

Lisbon, Portugal

With a fantastic view site over Lisbon, in this apartment at the Amoreiras area you will find 3 toilets with the our “quality stamp”.

In the guests toilet the marble **Black & Gold** walls up to 90cm height and creates a vanity top with our ‘designed lavatory’. The combination with the woods is perfect!

For the common bathroom the option went for the **Beige Travertine**, resined and polished. Floor, walls and top creating a light division, with warm and uniform cream tones and, yet, full of life!

The *ensuite* area combines the marbles **Bianco Carrara** and **Black Marquina** in a modern area. Floors and walls in Bianco Carrara with one only wall and top in Black Marquina. The shower base is composed by 3 big pieces with approximately 0,5cm gaps in all perimeter, allowing the waters to run naturally...
